PREFACE

In a regular meeting of the Board of Deacons of this church held on July 11, 1983 and confirmed by the Church in regular conference on July 13, 1983 I was commissioned to write a "Centennial Supplement" to the History of this Church dated August 31, 1981. Except for two instances described below plus two additional pictures, only data since August 31, 1981 is included in this work. No historical research has been done prior to August 31, 1981 except that in more than four years of continuing effort to obtain the picture of our seventh Pastor, Rev. John Gollithan Pulliam, I accumulated additional valuable biographical information on both Rev. Pulliam and Rev. James Long and have included it in this Supplement.

Let me just express a sincere "Thank You" to those who have encouraged me in the preparation of this supplement. I especially express my thanks and gratitude to Keith Finch for his untiring support throughout the research and preparation of both the original history and this supplement but most especially in the printing of the photo of Rev. John G. Pulliam for distribution to those who had already obtained the Church History and for his support, encouragement, cooperation and assistance in getting the photographs of all the Pastors displayed on a wall in the church. The completion of both these projects would have been much more difficult had it not been for Keith Finch.

In order to obtain maximum benefit from this supplement I strongly recommend that a copy of the original history be at hand. Many references to pages and paragraphs in the original book are made in this work which need to be referred to for maximum understanding.

A Biography
By
Powhatan W. James
Published March 1939
Reprinted November 1940

"Concerning his conversion to Christ as his personal Savior, let George Truett himself tell about this event in his own words,"

"I was converted in my nineteenth year, in the Baptist Country Church House, in Clay County, North Carolina where I attended Sunday School and Preaching Services through all my childhood and boyhood years. A series of evangelistic meetings was being held in this Church by the regular Pastor, the Rev. J.C. Marshburn, who was aided by a young preacher, the Rev. J.G. Pulliam. The daily meetings were continued for some two weeks. Profound Spiritual Blessings attended the meetings, and a goodly number, young and old were converted."

Note: The birthday of George W. Truitt was May 6, 1887

Note: Dr. Truett sent a telegram to Rev. J.C. Canipe, Pastor of Boone Baptist Church, Boone, N.C. who conducted in that Church the Funeral of Rev. John G. Pulliam, and expressed keen regrets that he could not be present for the Funeral Rites.

MEETING PLACES AND BUILDING PROGRAMS

Wooden Church after four Sunday School rooms were added between 1905 - 1911

In the last paragraph on page 60 of the original book mention was made of another renovation project about to get under way. This undertaking was named OPERATION BEAUTIFICATION and was completed about November 15, 1982. Mr. Ray Daniels, Chairman of the Auditorium/Sanctuary Committee submitted the following report concerning the accomplishments of this committee:

OPERATION BEAUTIFICATION

The Church Auditorium Committee was elected after the Education Building renovation was completed in 1978. The Committee was delayed in starting actual repairing, painting and "fixing up" because:

1. The Sanctuary roof was leaking, and approximately $14,500 was spent to totally repair the roof.
2. We didn't want to start a new project immediately after the completion of the Education Building renovation.
3. The new church organ had to be installed.

However, voluntary contributions were solicited, and the Sanctuary Fund was established.

The first Auditorium Committee meeting was November 25, 1980. The Committee members decided:

1. To list everything that needed to be done in priority order.
2. To complete the work as the money became available.
3. To solicit the help and advice of the professional architectural firm, Croft, Inc. from Asheboro, N.C. The church had previous experience with this firm.
4. To ask their fellow church members for their ideas, suggestions, and contributions.

After additional research, several Committee meetings, and conferences and correspondence with church members, it was decided to expand the project to include areas outside the sanctuary. In April 1981, "Operation Beautification" was adopted by the church.

Four years after the idea was conceived, and two years after the first Sanctuary - Auditorium Committee meeting, Operation Beautification was completed as follows:

1. Church parking lot was paved. $2,000
2. Double solid core wood doors replaced the old glass paneled doors at the front of the sanctuary. . . . $1,400
3. Stained glass was put in the arch over the doors - as a memorial to Mr. and Mrs. Arthur F. Pope. $750
4. Stained glass replaced the old glass in the arch over the Baptistry, and the old glass paneled doors in the Baptistry were replaced by stained glass doors - in memory of Thurlene Lockerman Godwin. $2,800

5. Existing stained glass windows in the sanctuary were repaired, releaded, cleaned, and broken panes replaced. $2,485

6. The old drapes and rail across the front of the balcony were replaced by a continuous wood railing. $750

7. A wooden cabinet for coats and hats, and a chair rail was put in the vestibule. $620

8. The column bases at the front door were repaired, all steps to the sanctuary were repaired, and outside sanctuary lights were repaired $1,200

9. The plaster inside the sanctuary was cleaned and repaired, and the entire interior walls and ceilings painted with two coats of paint - "Sunshine" yellow with "Galilee" green trim. $9,064

10. All exterior wood of the entire church and educational buildings were scraped and painted. $6,300

11. New carpets was installed in the balcony and the old carpet removed. $2,986

12. The pastorium was repaired, painted, a new roof installed, and gutters and shutters were replaced. $6,000

13. Architect's fee $562

14. Spotlights were installed behind and above the new stained glass arch, a new light was installed at the East vestibule door. $749

TOTAL. $37,666

CHAPTER VI
UNRELATED EVENTS

In the January 13, 1982 "Newsletter" we find the following: "Announcement: Mrs. Lewis (Betty) ReBarker has given our Church a gift to provide a three-octave set of handbells and all the equipment to go with them. Mrs. ReBarker, the former Betty Draughon, has done this as a tribute of love and a memorial to her parents, Robert A. and Myrtle W. Draughon. The handbells have been ordered." The handbells were played for a worship service the first time at a Revival Service, Thursday night March 18, 1982.

Additional handbells consisting of two additional octaves were also given by Mrs. ReBarker to the church, also in loving memory of her parents in January 1983. The church now has a five octave set of handbells with complete equipment.

A Public Address System was installed in the Church Sanctuary to improve the acoustics and was used for the first time on April 10, 1983. The system was given by three sisters, Mrs. Louise Stewart, Mrs. Ruby P. Ryals and Mrs. Ruth P. Barfield.

Pictures of all the Pastors of this church were framed and placed on a wall in the Sunday School Annex in May 1983.

The first Pictorial Directory of this Church was done by Olan Mills Studios. Photographs were taken in July 1983. Copies of the Directory were distributed in October and November 1983 to those families whose photographs appeared in the Directory.

In a regular Church Conference held December 14, 1983 H. Paul Strickland and Herman P. Green were elected Deacons for Life.

During "Operation Beautification" stained glass replaced the old glass in the arch over the Baptistry and the old glass paneled doors in the Baptistry were replaced by stained glass doors, in memory of Mrs. Therlene Lockerman Godwin. On Sunday, December 18, 1983 at the morning worship service a Dedication Ceremony was conducted for this Arch and Doors.

Also during "Operation Beautification" a stained glass arch was placed over the door nearest the organ console as a memorial to Mr. and Mrs. Arthur F. Pope.

The Choir Chimes, a gift to the church by Peggy Alphin, were used in a worship service for the first time on December 9, 1984.

The new choir robes and a set of stoles were given to the church by Robert Carr and were used in a worship service for the first time on November 11, 1984.

The new Junior Choir robes with stoles were given to the church by Mr. & Mrs. Gilmer Parrish and were used in a worship service for the first time on September 22, 1985. (Week of Centennial Celebration)

The Resonator Bells were purchased by the church and were used for the first time in the Fall of 1984.

Two additional sets of choir stoles - one by Dorothy Mitchell (Purple and Gold) used First in the Spring of 1985 - One by Peggy Alphin (Blue and Green) used first in the Summer of 1985.

In the Summer of 1984 Larry Snipes handmade two book cabinets for the storage and preservation of the Choir Books.

In August 1985 Emma Peay provided 36 cushions for the chairs in the Choir Room.

Miss Winnifred Byrd, a charter member of the church and a teenager at that time was a distant relative of Miss Evelyn Byrd, a present member of the church. According to Miss Evelyn Byrd she was the musician of the charter group, led the singing and played the piano when one was available.

At the Centennial Banquet on Friday night September 27, 1985 Herman P. Green was presented a most suitable plaque and standing ovation for writing the History Book of The First Baptist Church dated August 31, 1981.

Centennial Celebration

of the

Dunn First Baptist Church

West Broad at Layton Avenue
Dunn, North Carolina

September 22-29, 1985

Organized on Sunday, September 27, 1885 in the Greenwood Schoolhouse, at the present site of Greenwood Cemetery, Dunn, North Carolina

"Now to Him Who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the Church by Christ Jesus throughout all ages, world without end." (Ephesians 3:20-21)

THE BEGINNING OF THE DUNN FIRST BAPTIST CHURCH

The first person to begin working toward establishing a church in this area was the Rev. A.B. Alderman, who was authorized by the South River Baptist Association in December, 1883, to visit Pope's Schoolhouse in Harnett County and preach as opportunity afforded. He did so through August of 1884.

In 1885, Elder W.R. Johnson was employed by the Association to take up this work, and was assisted by Elder W.M. Page. When they had baptized six persons, a Presbytery was called to organize a church. By this time the schoolhouse was known as Greenwood Schoolhouse.

The Biblical Recorder printed a report of the organization of the Greenwood Baptist Church, written by Elder S.C. Page, in the October 21, 1885 issue.

The organizing Presbytery was composed of Elders H.J. Duncan, W.R. Johnson, who became the first pastor, S.C. Page, H.L. Hall, W. Royal, and J.B. Downing. Elder H.J. Duncan served as Moderator. Five members came with letters of recommendation from other churches, and six others whom W.R. Johnson had baptized came to join them.

These eleven persons became the Greenwood Baptist Church, later to become the Dunn First Baptist Church. They adopted a church covenant and constitution.

The history of the South River Association reports that the original members were as follows:

William H. Pope, E.C. Pope, L.G. Dorman, J.M. Jones, A.J. Stanley, J.G. Godwin, Elizabeth Pope, Emily Pope, Sarah W. Jones, Winnifred Byrd and Mrs. Emily Jane Godwin.
